

**Student Travel Support for the 5th International Meeting of
Pacific Rim Ceramic Societies, Nagoya, Japan, September 29-
October 2, 2003 (NSF-DMR-0328212)**

Japanese and U.S. students enjoying dinner together

At the PacRim Banquet

After the conference the students were teamed with Japanese students (left) to tour NTK and NGK manufacturing plants in Nagoya, and Murata in Kyoto. Organized by Professors Wataru Sakamoto (Nagoya University) and Gary L. Messing (Penn State).
